AMENDMENT

Dear Sir:

In response to the Office Action mailed 8/1/2002, please amend the above
identified case as follows.

IN THE DRAWINGS

Please find enclosed a set of formal drawings and a markup of Figures 6, 10C,
13B, 20B, 26B and 27B showing requested changes to correct a duplication of reference
number 14 and conform the drawings to the description.

IN THE SPECIFICATION

Enclosed is a substitute specification in clean form and the same substitute
specification in marked up form to show the changes made. The changes made do not
add new matter but simply conform the written description and the table of Appendix A to
each other and to the drawings. New steps 54 and 55 in the table of Appendix A were
added because these steps were described in the specification but were accidentally
